Core Essence Healing

Core Essence Healing helps you to return to your *divine blueprint* – to know who you really are! You can reconnect with the Divine Essence you truly ARE, what I call your „Lightbody.“ To allow this pure and free connection to your true divinity, it is necessary to dissolve any old programming which no longer serves you to be the divine human you are.

Core Essence Healing penetrates deeply into your cellular memory and reawakens the pure divine light of every cell of your being. Core Essence Healing floods your DNA with pure Divine Love to release old programming which does not resonate with your highest Essence, your true divine being.

It is time now to find yourself again and to do what you came for: to awaken to your true, free SELF and to radiate your true love and Divine Essence towards everything in your life! Everything and everyone around you will be uplifted quickly to heal and easily find the way to their own higher truth!

Let **Core Essence Healing** help you free yourself to live in peace, harmony, and TRUE LOVE, and create for yourself – and for everyone – an atmosphere of allowing and appreciation for who you truly are – Divine Essence!

You can create the “Golden Age” on planet earth, here and NOW! BE in divine service *through your life!* It is meant to be. It is what you came for.
